## STRIKE TAKEN UP BY CABINET

### President Calls First Session of Advisers In Six Months

#### RAILWAY LABOR BOARD NAMED BY PRESIDENT

(By Associated Press) WASHINGTON, April 13.—The railway labor board was appointed as follows today by president Wilson: George Hanger, Washington, D. C.; Henry Hunt, Cincinnati, and R. Barton, Tennessee, to represent the public; Horace Baker, J. Elliot and William Park, to represent the railroads; Albert Phillips, A. Wharton and James Forrester to represent employees.

The railroad board will be authorized to meet in Washington at once to take up grievances of railroad employees now on strike. The nominations were sent to the senate at noon today and prompt action by that body is expected.

The nominations were considered later by the senate interstate commerce committee which decided to withhold action for twenty-four hours to enable it to obtain information regarding especially the members of the public group.

#### POLES SCATTER THE BOLSHEVIKI

(By Associated Press) WARSAW, April 13.—A pronounced victory for the Poles over the Bolsheviks on the southeastern front is reported by the general staff today. After several days fighting a Bolshevik division was put to flight and more than a score of machine guns, and much booty was captured by the Poles.

#### GRAY, SCHMIDT FOR WEST POINT

Grayson Schmidt, aged 17, son of Henry P. Schmidt, of the Tonopah Hardware company, has been nominated by Senator Henderson for admission to West Point. The candidate will finish out his present term in high school and report for physical examination when and where notified. Tonopah high school has the same ranking as all other high schools of standing that are properly accredited and Grayson will not have to submit to any examination on subjects comprised in the local course of study where his ranking is acceptable.

#### CAL BROUGHER AT HOME IN BERKELEY

H. C. Brougher, president of the Tonopah Divide Mining Company, arrived at his home in Berkeley, Cal., yesterday after spending eight weeks under the care of the Mayo brothers at Rochester, Minn. Mr. Brougher shows considerable improvement but it will be several weeks before he is fully recovered. The news is gratifying to hundreds of friends and acquaintances in Tonopah and vicinity who have sympathized with him in his illness and who are relieved to learn that the patient has reached the turning point where complete recovery appears to be only a matter of time.

#### PROTECTION FOR GAME AND FISH

A number of active sportsmen are organizing the Nye County Fish and Game Protective Association under the auspices of the Forest Reserve. A meeting will be held next Monday evening at which the permanent organization will be effected. Last evening a few men fond of the great outdoor life met and formed temporary organization with Jack D. Thompson, temporary president and Dr. T. A. Musante temporary secretary. The objects of the association is to assist the federal officers in conservation of game and fish and to advise regarding the best methods of restocking streams and protecting game bird life. During the meeting it was learned that the variety of fish planted in the mountain streams of Nye County were not suited to the climate or waters as they were of the breed that spawn in the fall instead of spring which is the proper season for this altitude. The destruction of quail in Pahump valley was touched upon and the members will bring their influence to bear on the government that part of the fund of \$25,000 allotted to Nevada will be diverted to this county where it was said that thousands of quail died last fall around Pahump for want of suitable food.

A resolution addressed to L. E. Glass, county clerk, was adopted recommending the stocking of the following streams in Nye County: Peavine Meadow Canyon, Pine Creek, Harley Creek, Jett Canyon, Twin River, Mosquito Creek, Moore Creek, Chatorovich, McNett and Gifford.

Every lover of fishing and hunting is invited to attend the meeting next Monday evening at 8:30 at the office of J. D. Thompson.
